

ST PAUL'S MCKINNON JUNIOR FOOTBALL CLUB NEWSLETTER 28 JUNE 2025

President & Committee's Message

Dear Doggies Families,

All hands on deck as we head into Round 9 tomorrow!

A few families are taking early holidays and this will see some of our teams stretched thin, yet we know our 'Doggies' will rise to the challenge.

The most recent home round saw our Play4BCNA pink sports day bring plenty of **PINK** to our home grounds. I think we can all agree those pink sports socks looked amazing on the footy field. A big thank you to Kirsten Pilatti, CEO for Breast Cancer Network for coming along to visit us all and saying a few words on behalf of this important cause. It was also great to see our Doggies community come together and get involved in supporting the day, thank you!

Our 'Doggies' have also had some great results on the footy field of late and we hope to continue this great form before the school holiday break.

Don't forget this Sunday (tomorrow) is DOGGIE OF THE MONTH and pizza is on the menu. We can't wait to celebrate the footy season with you all thus far.

Australian Sports Foundation Support our JFC!

All donations are tax deductible!

We're raising funds to install safety nets behind the goals at our junior football club. These nets will help keep our young players safe by preventing them from possible injury, while running onto the driveway between the two grounds to retrieve balls. We have raised over \$5K so far, but every donation, big or small, will make a huge difference in protecting our kids while they play the game they love! If you'd like to contribute, please reach out or **donate BY CLICKING HERE**

We appreciate your support.
